

BIG SLUMP IN SUGAR.

Price Knocked Down by Those in the "Ring."

Sales of Over 61,000 Shares Recorded in the First Hour.

The General List Remains Firm, to the Surprise of Those "Pinched."

Sugar furnished the sensation of the morning at the Stock Exchange. The dealing in it was on an enormous scale, and for a time exceeded those in all other stocks combined. Those identified with the Trust pretended to be dissatisfied with the tariff schedule drawn in its interest, and to foster this idea a sharp onslaught was made upon the shares.

Under a perfect avalanche of offerings, three points were knocked off the price in a few minutes, and many unfortunate were forced to get out by the rapid wiping out of margins.

The lowest figure touched was 106-1/4. But around this price buying orders appeared in sufficient amount to turn the tide, and a rally to 106 ensued.

The trading in sugar during the first hour exceeded 61,000 shares.

Undoubtedly some selling was done because of the Brockbridge amendment in the House yesterday, as this is accepted as meaning a sharp fight in that body if the sugar schedule comes before it in its present shape.

The general market stood up remarkably well under the break in sugar, yielding only 1-8 to 3-4, the latter for General Electric, which sold down to 37.

All stocks the bears cared to sell were readily absorbed, and a rally quickly took place.

The stubbornness of the general list was a great surprise to the shorts, who seem to be utterly unable to bring out long stock.

If operators only knew when tariff agitation would stop, there is little doubt that they would advance the market at least until the short interest was eliminated.

So far as sugar is concerned the insiders have everything to gain and nothing to lose. They can play a safe game so long as they can get earlier and more reliable information from Washington than any one else.

St. Paul sold only 1-8 below last night, although it is known that the company has disposed of \$2,000,000 of general mortgage 4 per cent. bonds, which have been in its treasury since the reorganization.

The bears made a mistake in giving currency to the report that the company intended to make a brand new issue of bonds. The sale just made is no surprise, it having been understood that the bonds would be disposed of whenever the situation warranted it. St. Paul later rose from 60 1/2 to 61 1/4.

Distillers advanced 1-2 to 25; Atchafalca 1-2 to 23; General Electric 1-2 to 37; Col. & West. Ind. 1-2 to 14; Missouri Pacific 1-2 to 14; New York Central 1-2 to 99 1/4; and Burlington & Quincy 1-2 to 75. Lead sold at 25 1/4.

KARUNA A PRISONER.

Arrested in His Wife's Suit for Alimony Pending Divorce.

Barnett Karuna is a prisoner in Ludlow Street Jail, having been arrested yesterday afternoon by Deputy Sheriff Walker on an order issued in connection with an action for absolute divorce that has been begun against him by Sarah Karuna. She has applied for alimony in the sum of \$100 per month and has three children. It is claimed that Mrs. Karuna has been living with her husband since he was arrested and that she has been receiving his support.

The order of the court was issued on the affidavit of Mrs. Karuna that her husband has been living with her since he was arrested and that she has been receiving his support.

The mother is prostrated.

SANG IN THE SAME CHOR.

Then Miss Converse and Smith Fell in Love and Married.

Although the ceremony took place three weeks ago it was only this morning that the fact of the marriage of Miss May Hope Converse, of Inwood, to W. Frank Smith, of Plainfield, N. J., leaked out. The father of Miss Converse is a liquor-dealer, of 318 Wall street, and knew nothing of the contemplated marriage until after it had taken place.

The couple met for the first time about four months ago at St. Ignace Church, where both sang in the choir. It was a case of love at first sight. Smith is a young fellow of pleasing appearance and address. The mother is prostrated.

A Coxy Organizer Explains the Exodus East.

(By Associated Press.)

FERGUS FALLS, Minn., May 8.—A Coxy organizer, who was here with a wing of the "army," claimed that \$5,000 was raised in Butte to help take East the army which he was organizing. He says that other cities on the coast are raising large sums to send unemployed workmen East. They care nothing about the effect the movement is expected to have on legislation, but it is a cheap and popular way to return to the East a large army of men who travelled West during the boom days on the coast and who are now a labor drag in Western cities.

While the organizer was here a wealthy man gave him a list of 104 unemployed citizens, and offered him \$10 per head for as many of them as he would take East the money payable when he reached Pittsburgh, but that man will not drift back at once. The West, it is asserted, has been getting the undesirable citizens of the East, and is now shipping them back by the freight train load.

Quarrelled on the Street.

Justice Higgins, in the Lee Avenue Court, Williamsburg, today, sold Thomas Doyle, 33 Hopkins street for examination on a charge of assaulting his wife, Fannie. Officer treated found the couple quarrelling on the sidewalk in front of their residence, and just as they reached home, they struck the woman in the face, knocking her down.

Baby's Body in a Ferry Ship.

The body of a female child about a day old, was found floating in the ferry ship at the foot of West Twenty-third street, at 10 o'clock this morning.
